momogirl says to (11:02): ..lol
MetroidXPS says to (11:02): I think the quote was directed more at people
who think they're really really old.
MetroidXPS says to (11:02): lol...
momogirl says to (11:03): XD; i think it was directd at people in fandoms
who think theyre better for it
momogirl says to (11:03): like...
momogirl says to (11:03): mario fans who started with smb1, telling off
kids who started with mario 64 but love mario 1 because they played it, even

momogirl says to (11:07): ..what XD
momogirl says to (11:07): i used to use it a little while ago to talk to
some friends in an rp
momogirl says to (11:08): but i dropped out of the rp and hated irc so i

MetroidXPS says to (11:09): lol
momogirl says to (11:09): well, not too complicated for me snce i figured
it out eventually, but too needlessly complicated for its own good XD
MetroidXPS says to (11:10): heh
torgo says to (11:10): well it is a very powerful network
MetroidXPS says to (11:10): I know what you mean
torgo says to (11:10): though really all you need is a server and a channel
to join
MetroidXPS says to (11:10): You don't want to have to go through so much
effort. :p

momogirl says to (11:10): hrm
torgo says to (11:10): join server, join channel
torgo says to (11:10): EASY BUTTON

momogirl says to (11:11): i dont even have the new aim
torgo says to (11:12): Well you have to invite peeps

momogirl says to (11:12): much like this chat
momogirl says to (11:12): so? XD;
momogirl says to (11:12): i dont much like big chats anyway..
torgo says to (11:12): everytime they need to join
momogirl says to (11:12): i only normally like talking one on one
torgo says to (11:12): it is a pain :p
momogirl says to (11:12): you can invite yourself you know
torgo says to (11:12): irc has one on one too
torgo says to (11:12): complicated {tongue_smiley}
momogirl says to (11:13): its easier to invite yourself into an aim chat than get into an irc chat XD; i think
torgo says to (11:13): you can change your nick too :>
momogirl says to (11:13): thats stupid
torgo says to (11:13): hmm, /join #skchat
momogirl says to (11:13): you wont know who people are if they change their name!
torgo says to (11:13): I didn't know a ton of people in the aim chat
momogirl says to (11:13): thats why i hate msn too, i cant memerize emails!
torgo says to (11:13): nicks with numbers is kinda crappy {tongue_smiley}
momogirl says to (11:13): well they SHOULD be people you know >_>
momogirl says to (11:14): they will atleast have the SAME name
torgo says to (11:14): I didn't have their AIMS, a lot of em
torgo says to (11:14): and you can tell who is who by IP/hostname
torgo says to (11:14): if you are smart ;p
MetroidXPS says to (11:14): well, at least with MSN, you cna give people nickname. {tongue_smiley}
torgo says to (11:14): Plat thought he was so sneaky
torgo says to (11:14): I knew it was him right away {laugh_smiley}
MetroidXPS says to (11:14): lol
momogirl says to (11:14): too tell the truth, even if I know it's not their fault, i actually do get REALLY mad at people whos screen names on websites and IM names dont match
torgo says to (11:14): Man_Slayer
torgo says to (11:15): hawhaw {tongue_smiley}
MetroidXPS says to (11:15): XD
momogirl says to (11:15): if someone is "kitty kat" on slimeknights

MetroidXPS says to (11:15): /me changes "Chris" to "Emoboy"

momogirl says to (11:20): thats why i dont have new aim
MetroidXPS says to (11:20): even KS is scared of that one
momogirl says to (11:20): in old aim ": D" stays what it is, TEXT
torgo says to (11:20): and a lot of people care, so don't even thing about it {tongue_smiley}
